

## **Cascade Greater Swiss Mountain Dog Club Breed Information Contacts Listing**

The Breed Information Contacts Listing (BICL) will be presented on the CGSMDC web site at [www.cascadeswissclub.com](http://www.cascadeswissclub.com). The BICL is intended to provide the general public with a list of contacts (both breeder and non-breeder CGSMDC members) who are willing to educate potential owners about the breed and to encourage them to be responsible in their selection of a Swissy.

The Breeder Resources Committee will maintain the BICL, so any questions or concerns about the listing should be directed to the Committee Chair Lisa Simonsen, at [gsmd@paintedswissys.com](mailto:gsmd@paintedswissys.com) or 360-432-8971. This listing is presented as a service to the public by the CGSMDC, so any future modifications to the listing will be considered by the Breeder Resources Committee and presented to the CGSMDC Board for approval as necessary.

To be listed as a BIC you must meet the following minimum requirements:

- A CGSMDC full member (family or individual) in good standing for a period of 24 consecutive months or have been a CGSMDC full member in good standing for a period of 12 consecutive months and a GSMDCA full member in good standing for a period of 24 months.
- Volunteered at least 3 hours of time annually to the CGSMDC or 8 hours if your listing will include puppies or stud services available.
- Completed and signed the request to be listed along with providing the answers requested in the attached questionnaire. This request must be renewed on an annual basis with the Breeder Resources Committee.
- Are willing to dedicate the necessary time to answer questions from the public in a timely and informative manner.

If you meet the above requirements and would like to be listed on the BICL, please complete the following request and questionnaire on-line at [www.cascadeswissclub.com](http://www.cascadeswissclub.com). Please be aware that the information you provide will be listed on the Internet for public access. To be listed you must answer all questions completely and accurately. If you would rather complete the questionnaire and submit via US postal service please contact Committee Chair Lisa Simonsen, at [gsmd@paintedswissys.com](mailto:gsmd@paintedswissys.com) or 360-432-8971 and you will be provided with the address for submission.
